Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative was contacted regarding the failure to respond to the Office letter mailed 19 January 2005. In the course of the interview it was determined that the letter had been mailed to the wrong address as a consequence of the Office's failure to enter the change of address filed 27 February 2003. In view of this, the letter is being remailed with a new period for response..
